# About Professional Services Review

Professional Service Review (PSR) is enabled by the *Health Insurance Act 1974* (HI Act). PSR includes three types of governance entities with their own statutory functions:

*Office of the Director and Associate Director:* The Director of PSR is a medical practitioner who is the Agency Head. The Director is supported by Associate Directors who are also medical practitioners. The Director and Associate Directors review the conduct of persons referred by the Chief Executive Medicare and may resolve matters or refer matters to a PSR Committee.

*PSR Committees:* PSR Committees are established by the Director or Associate Director and are comprised of health practitioners. Committees conduct inquiries into the conduct of persons under review.

*Determining Authority:* The Determining Authority (DA) is a body constituted by health practitioner members and a community representative. The DA considers matters following the Director / Associate Director and Committee stage.

PSR staff support each of the PSR entities as required. The outcome of a PSR investigation can include the repayment of Medicare or Dental Benefits and disqualification from Medicare or the Pharmaceutical Benefits Scheme (PBS).

PSR is guided by the:

- *Health Insurance Act 1973*
